

Technical appendix B: 2006 ES on CD

This CD contains the ES and technical appendices submitted in support of application 06/00967/OUT. The October 2006 ES on the CD amended the original May 2006 ES, and the amended text is shown in red in the ES chapters. The technical appendices on the CD are as follows:

- Technical appendix 1: Scoping consultation – original May 2006 version (not amended in October 2006)
- Technical appendix 2: Cultural heritage – original May 2006 version
- Technical appendix 2a: Cultural heritage – additional report provided in October 2006
- Technical appendix 3: Hydrology – original May 2006 version
- Technical appendix 3a: Flood risk – additional report provided in October 2006
- Technical appendix 4: Landscape and visual effects – amended report provided in October 2006, with amended text shown in red
- Technical appendix 5: Ground conditions and contamination – original May 2006 version
- Technical appendix 5a: Pell Frischmann Report – additional report provided in October 2006
- Technical appendix 6: Natural heritage – amended report provided in October 2006
