- Key:
- KM22 Boundary
 - KM5 Boundary
 - Proposed Trees
 - Proposed Shrub
 - Proposed Hedge
 - Proposed Wildflower

Secondary street are defined by smaller tree species, using formal ornamental planting and low hedge structure to help frame building structure or focal trees.

High end childrens play area includes natural timber play equipment and sensory planting.

Informal open space including native tree species and wildflower corridor to enhance ecological and recreational opportunities.

The informal open space provides a ribbon of connected spaces which wraps around KM22 and KM5 parcels.

Housing plots which front onto public open space will be soft in design with informal planting and lawn frontages.
