Notes

Issue: Drawn by David Jarvis Associates Limited (CROWN COPYRIGHT. ALL RIGHTS RESERVED 2011 LICENCE NUMBER 0100031). This drawing is for information purposes only - Do not use this drawing for construction.

Drawing Information: This is a composite drawing based on: Hunter Architects drawing M9001 model planning options 5 - Sheet 5 - AG4420 - Ground Floor 04.dwg, Rev'd 20/04/2016 @ 11:29am, WSP Lighting info, rev'd: 30/10/2015 @ 12:35pm & WSP Local Centre Car park drawings, rev'd: 01/05/2016 @ 08:36am.

Scaling: Do not scale this drawing. Use given dimensions only.

Services & Car park lighting: refer to Engineer's drawings.

Construction Information: all detailed design (including, but not necessarily limited to, bond patterns, kerbing, edging, tactile crossing demarcation, construction build-up, levels, drainage etc., to be provided by an appropriately qualified structural/highways engineer to be appointed by the client for presentation to [and subsequent discharge from] the relevant supervising authority and/or body.

Planting: All plants and planting procedure to conform to the David Jarvis Associates Limited Landscape Specification that will accompany the Construction Issue drawings. No species or plant location is to be varied without prior consent of the Landscape Architect.

Foundations: Developers / Contractors to ensure that all foundations (buildings and external walling) are designed and constructed so as to take into account, at the time of maturity, any existing or proposed trees, hedgerows or other vegetation on the application site or existing vegetation on land adjoining the site at the time of construction and any trees felled or hedgerows removed or adjacent to the site during the previous 5 years. For this purpose the developer / contractors will submit all relevant details to the authority dealing with the Building Regulations Certificate.

Drawing Revision

Rev	Date	Description
