All dimensions and levels to be checked on site by main contractor prior to preparation of shop drawings and commencement on site.

Drawings can be scaled for Planning purposes only, do NOT scale for construction.

The drawing is to be read in conjunction with all relevant consultant and/or specialist drawings and documentation. Any discrepancies or varlations should be notified to the architect.

Notes:

Services - whilst all efforts are made to locate the position of below ground and hidden services, the client remains responsible for providing all information available to them as regards locations, types, depths etc. of all services. The contractor should also report any anomalies to the contract administrator immediately they are discovered.

Party Wall - it is the responsibility of the client (the Building Owner) to serve Party Wall / Structure / Boundary Notices as required for the works contained in these and any proposal drawings. If in doubt ask about your responsibilities.
