<b>Comments</b>	<input type="text" value="I would like to object to this application primarily on the following grounds:&lt;br/&gt;&lt;br/&gt;There are already many such facilities available to fisherman in this area.&lt;br/&gt;&lt;br/&gt;Fishing is typically a day long activity. The angler arrives in the morning, fishes, and then goes home. Why is so much accommodation required? If someone did want to stay, there's already plenty of accommodation available in the area.&lt;br/&gt;&lt;br/&gt;The suitability of the site to support the installation of sizeable fishing lakes is questionable.&lt;br/&gt;&lt;br/&gt;It's next to a, probably soon to be re-activated, motocross track - how are the two activities compatible?"/>
