<b>Comments</b>	<input type="text" value="I think this development will help to bring a large amount of fresh and exciting things to the village, it will help to keep the average age of the village down, as well as making it more affordable, as cropredy is highly unachievable for lots of people. I think the extras it's promising to bring such as a new community hub is good news, as the current one is very run down, this will help bring more money for the parish council in."/>
