<b>Comments</b>	<input type="text" value="If needed far better places to put this in Langford, and it can be made to look like a tree like the one they have near the JR hospital in oxford far more discreet and doesn't affect the look of the estate and hidden with trees either in the land between old Langford and new Langford or on the walk ways between Merlin and avocet or Merganser and Shearwater. Gavray drive also has space for it and is looking at having development done there as well."/>
