| <b>Comments</b>           | <input type="text" value="I object to this proposal on account that it is neither in the current local plan or the proposed draft plan. As the local authority has met its land supply target there is absolutely no requirement for this proposed development. It should be viewed as nothing more than what it is - an opportunist development 'grab' and should be rejected accordingly. We should be protecting the current green buffer in this area and not eroding it."/> |
