Details of the pre-application advice received

I asked for info about a lawful certificate application decision, that I submitted previous to this planning permission application regarding the same work to be done, that was rejected, and for advise for the next steps to follow. She gave me very kindly good advise to proceed with a householder planning application:

"Hi Ignacio and many thanks for your e-mail.

Please see attached the original Decision Notice relating to 14/00221/REM, which was the Decision for the original application for the development your property lies in.

Condition 22 says that no garages, carports or open drive thru accesses shown on the approved plans shall be converted.

This means that your Permitted Development Rights relating to garage conversions were removed – which actually means that, whereas, normally, garage conversions do not require planning permission, if your Permitted Development Rights have been removed, then it does not mean you cannot convert your garage – it just means that you will have to submit a Householder planning application (form attached) to ourselves in order for us to determine whether we will give you permission for the works or not.

If you wish to submit a Householder planning application, please do so through our Planning Portal system on our website where you can upload all of the documents/drawings you submitted for your CLUP application – additionally, you are able to pay online.

Kind Regards  
Simone Neat"

**Authority Employee/Member**

**With respect to the Authority, is the applicant and/or agent one of the following:**

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

- Yes
- No

### **Certificate Of Ownership - Certificate A**

**I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner\* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding\*\***

**\* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**

**\*\* "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.**
