Comments	<input type="text" value="I am objecting to this application as there is and has been too much development encroaching on the village of Hanwell. We are a small village with a historical past and we would like to protect this. Hanwell does not have the infrastructure to cope with all the increased traffic etc related to the increased population. The traffic this side of Banbury is already a nightmare and to continue adding to this is ridiculous. Enough is enough we are only a small rural village of approx 120 houses and we want to stay rural and not part of a housing estate. Green fields should be protected from the money grabbing builders, they should be preserved for everyones well-being and mental health."/>
