<b>Comments</b>	neighbour <p>I object to this application as once again this is on land which is not part of the plan and on green belt land. Although this application is for less housing than the original application it will still have an impact on the local area. This is a rural area and we want it to stay that way.</p> <p>We have been subject constant building this side of Banbury and enough is enough. Banbury does not have the infrastructure to cope with the current population, let alone keep increasing the numbers. The traffic congestion is already a problem without adding to it and we have one hospital that is struggling to cope with current numbers. I do not support this application and hope that common sense and local opinion is taken into account.</p>
