- CDM Regulations:**
In addition to any information included in this drawing on the model from which it is derived, refer also to the project CDM Risk Register for information on residual risks.
- General Notes:**
- The drawing does not necessarily show all the information needed to interpret the design intent or the construction details.
 - The drawing contains information from more than one source and must be read in conjunction with all relevant specifications.
 - Any apparent drafting errors and differences between other drawings and specifications shall be brought to our attention.
- Project Notes:**
- Final quantities and locations to be confirmed with architect, landscape architect and client, and coordinated with final building and landscaping layout.
 - This drawing is to be read in conjunction with Hoare Lea luminaire schedule.
 - All external lighting served from DB/EXT/01.
 - All external lighting to be controlled and grouped as outlined in the External Lighting Report.
