Comments	<p>Dear Sir/Madam,</p> <p>I absolutely object to the proposed planning application. My main concerns are as follows:</p> <ol style="list-style-type: none">1. The use of Tyrrell Road as the main through road to the new development is unrealistic. The current road is unsuitable for the current level of traffic and the amount of parked cars. As it stands, this road should already have double yellow lines to stop the congestion.2. Why has there not been more information made available to the residents of Bloxham Vale. There has been no letters, sign posting or other detailed media provided. If it hadn't been for a neighbour informing me of this application, I would have been unaware. Not everyone uses social media. <p>How can residents make an informed decision/objection without consultation in a reasonable time frame. From the limited information I have, this application seems to have been raised on the quiet. I am happy to be informed otherwise.</p> <p>Regards</p> <p>Barry Ridley</p>
