<b>Comments</b>	<input type="text" value="Firstly, I feel that we need to do everything we can to keep local communities and community spaces alive. It's important for the welfare and mental health of our aging population and young families.&lt;br/&gt;Secondly, this is a thriving little village and it can sustain a shop/cafe, the previous shop and post office struggled for many reasons but this is not representative of what could be achieved with the right product ranges, with strong retail knowledge on the committee and the important addition of a cafe on a popular walking and cycling route.&lt;br/&gt;Research shows that most custom will be on foot from locals."/>
