Comments	<input type="text" value="I strongly object to the development because;

* 60 houses could create in excess of another 120 vehicles moving through the village causing even more congestion to the village roads.
* The doctors surgery is over subscribed so will not be able to provide adequate care for more people
* The village school is bursting and the parking for the school is already a major problem.
* There are many species of birds that nest on the land and in hedgerows.
* The development is outside of the parish boundary.
* Bus service is only 2 days a week.
* The development contravenes the local plan as CDC have enough land supply for over 5 years.
* Cropredy is a Category A village making it suitable for infilling and minor developments."/>
