Case Officer	<input type="text" value="Tom Webster"/>
Organisation	<input type="text" value=""/>
Name	<input type="text" value="Chloë Plummer"/>
Address	<input type="text" value="6 Ardley Road, Fewcott, Bicester, OX27 7PA"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Junction 10 is already a disorganised, chaotic, queuing mess for approximately 5 days out of 7. For the last three Fridays there has been an accident on the M40 resulting in gridlock and significant increase in traffic (including large HGVs) speeding through all local villages as a cut through. Increasing the danger to children and animals in rural location. What happens to this increase when the inevitable closing of the m40 at jct 9/10 to all this additional traffic using this site? Traffic lights barely work now on the roundabout and the traffic is solid around the roundabout at baynards Green (this usually then increases accidents) let alone it being an eyesore and detrimental to local property pricing and the environment."/>
