Comments	<input type="text" value="This application was withdrawn hours before the Planning Meeting. Since the withdrawal the developer has made little amends to the application. As a local residents I object to the application as its another land grab to build yet more housing ever closer to Hanwell village, losing more high value agricultural land which is required and needed for national food security. The already approved neighbouring phases should be set as the limit of this development. Cherwell has met its housing supply and therefore this latest development should be refused. In the draft local plan the vision is to build more affordable homes which are needed in Banbury Town Centre with sites allocated for this."/>
