Comments	<input type="text" value="As a resident of the Redrow development, I object to the application. The lack of separate access from Bloxham Road means that there will be increased vehicle traffic along Tyrrell Road. The existing Redrow development already suffers from congestion, on-street parking and issues with larger vehicles blocking the road at busy times. The Redrow development has outdoor play areas for children, some of which are adjacent to Tyrrell Road. Increasing the vehicle flow on this route would have a detrimental impact on safety of those using the play area as well as other pedestrians and road users."/>
