<b>Comments</b>	<input type="text" value="Tyrrell Road is a already very busy and congested road despite the current Redrow development not being finished. With an additional 65+ cars using the same access is a accident waiting to happen due.&lt;br/&gt;&lt;br/&gt;Currently the access route already has parked cars along the road and in kerbs due to the lack of parking available. This will be disastrous for ambulance and fire access so consideration needs to be taken into traffic measures to ensure the road does not become gridlockrd. I object to the additional 65 houses as a resident of Bloxham Vale this will cause excess traffic and congestion on a already very busy route."/>
