Comments	<input type="text" value="1 - no specific locations are shown on the site plan.
2 - potential for vandalism dependent on exact locations and accessibility to the site.
3 - fire risk due to the use of ?hay bales increasing fire load. Not clear why bales are being used.
4 - road safety; a distraction to drivers if visible from the road.
5 - though temporary and movable they will be a visual intrusion to the open landscape.
6 - There will presumably be site barriers and hoardings going up around the site which could be used as backdrops for these artworks? and information boards."/>
