| <b>Comments</b>           | <input type="text" value="There is no requirement for additional sites within Cherwell District. Existing sites remain unoccupied. Another site on the edge of Piddington is unsustainable for a village that lacks any facilities. If application 0/01122/F proceeds there would potentially be 18 sites at this location, 36 caravans. If occupied at this density the gypsy and traveller community would represent between a quarter and one-third of the population of the village."/> |
