INFORMATIVE NOTES TO APPLICANT

Conditions

The applicant's attention is drawn to the need to comply with all conditions imposed on this permission. Failure to do so could result in the council serving a breach of condition notice against which there is no right of appeal.

Under the Town and Country Planning (Fees for Applications, Deemed Application, Requests and Site Visits) (England) Regulation 2012 there is a fee payable each time you make a request to discharge any of the conditions attached to this permission. You can apply to discharge more than one condition at the same time. At the time of this decision the fee is £34 per request for householder development and £116 per request in all other cases. The fee may be more when you come to apply for the discharge of condition if the Regulations have been amended. The fee is payable when you submit the details to discharge the condition(s). The Council has '1app' forms for such applications, but their use is not mandatory.

There is no fee for the discharge of conditions on listed building consents.

The Council has eight weeks to respond to applications to discharge conditions, so you will need to make your application in good time before commencing development.

Material Samples

Please note that where any of the above conditions require the approval of materials, material samples are no longer accepted at the Council offices and should in the first instance be left on the application site for the relevant case officer to view and assess in context with its surroundings. Material samples and sample panels should be placed/erected on the site before an application to discharge that condition(s) is submitted.

Should leaving samples on site be impractical then arrangements should be made with the relevant case officer to view samples on site.

DEVELOPMENT MONITORING

To inform us of your intention to start development please call, e-mail: enforcement.planning@cherwell-dc.gov.uk, or return the tear off slip, at least 14 days prior to the commencement of work on site. This will assist the Council with its policy of monitoring development within the district. Please ensure that you have complied with any pre-commencement conditions, e.g. supplied materials for approval. We will also monitor the development against the approved plans, and compliance with any Conditions imposed on the permission.

Thank you in advance for your assistance in this matter.

Yours faithfully

Sarah Stevens
Senior Manager – Development Management

Please complete the tear off slip (in block capitals) and return to the address below before commencing work
