<b>Comments</b>	<input type="text" value="The proposed site will be an eyesore on the local area. The height of the hotel will be visible from the M40 and cause a distraction to motorists. The proposed volume of daily car and coach movements will put an abnormal stress to the local road network. The corner in from the village is a 45% turn. Coaches would straddle the entire corner and block the traffic. Resulting in all the traffic coming via Weston on the Green. The site is deemed as private vs a local amenity which means it will offer no benefit to the local population. Chesterton has only 1 x 18 hole golf course. To allow this land to be developed on while there are so many alternative sites would be tragedy. The housing population in Bicester is growing rapidly. To lose the golf course is short sighted."/>
