Hi Suzanne,

From desk based assessment.
Comment – No objections.

The proposal requires removal of x2 30m sections of BS5837:2012 category C hedgerow. Category C under BS5837 is not considered a major constraint to development, I'd request though this is considered alongside any further removals in order to condition appropriate replacement planning or mitigation for the removals by way of hedge improvement elsewhere within the site.

Kind regards,

Iain Osenton MArborA.
