Dear Tom

Thank you for consulting the conservation team on the amendments to the above outline application. The amendments to the scheme are not considered to alter the situation with regards to heritage and therefore there are no additional comments to those contained in the response submitted 13/10/2022.

To confirm the comments dated 13/10/2022 are still relevant and should be considered as part of the assessment of the proposals.

I hope this confirms the situation for you.

Kind Regards

Emma Harrison
