Hello

I have already lodged my objection on the planning portal but would like to add another very important point. Cropredy has come a no man's land when it comes to secondary school, currently the children transitioning this time will go to 7 different secondary's, with over 7 not getting any of their choices ! Local secondary's schools are nearly at capacity. So my point is where on earth will the children who could end up living on this new housing estate go to school??

Kind Regards
