Dear Lisa and Heidi Kunze,

Thank you for your email making the following comments on application number 24/00375/F:

"We are writing in objection to this application. As Hornton village residents, we dearly cherish our rural community and protected countryside.
There are many reasons to object to this project but our main issues are its disruption to our way of life. There is no need for the this development as our area has numerous fishing options for anglers, as well as places for them to stay while visiting our area.

We worry about the adverse impacts of heavy construction (vehicles and equipment) and the ultimate additional visitor traffic on our lanes and through our village.

As avid night sky watchers, we are distressed that the development will cause light pollution and adversely affect another countryside tradition and hobby so many of us value and enjoy.

As with prior development applications in our little piece of the countryside, we are concerned with the lack of sustainable energy, waste plans, lack of wildlife conservation assessments and protection

of our clean water sources.

This must say, we find it outrageous that the company behind the proposal is also the owner of the Crooked House pub, which burnt down just after it was bought and was then demolished the day after. This prior act should raise serious concerns, by their actions they have shown the company to be untrustworthy. This application is simply the wrong development in the wrong place.

Thank you our considering our concerns.

Lisa & Heidi Kunze
4 Holloway Cottages
Hornton, Oxfordshire OX15 6BZ"

Your comments have been forwarded onto the planning officer dealing with this application, who will take your views into consideration when determining this application. We are sorry but the planning officer will not be able to respond directly back to you regarding any questions which you may have raised in your correspondence.

You can view the progress of this application at
