Dear Katherine,

I have been made aware of the above planning applica•on and wish to express my disapproval in the strongest terms.

I simply cannot see any need whatsoever for the proposed development. As far as I am aware, there is no serious local demand or need for such a facility and it only serves to put greater strain on local services. I simply can't envisage the bene•ts to the local community.

I do hope that you will receive many similar emails to mine denouncing this scheme.

Kind regards
