Subject: SWALCLIFFE PARK EQUESTRIAN 20/02956/F- PLANNING APP SHOULD GO TO COMMITTEE

Hello Mr. Neville,

Please accept this email as confirmation that , should you be minded to approve the above proposal, that this Planning Application is reported to the Committee . Given the local sensitivities in the past and at present with the growth by stealth of the SPE activities, as well as the Sibford Parish Council's concerns and observations, we absolutely insist that this Planning Application not be approved lightly. This represents intensified use and unsustainable growth of this development.

As the Sibford Parish Council has written to you, residents are against any further use of the 28-day field which would result in greater noise and noise nuisance as well as degrade the Area of High Landscape Value with such jumps that are totally out of character with the agricultural field.

Sincerely,

Brenda Vandamme
