Hello Ian and Kathryn

I am passing this to a colleague to upload on the file but can I ask that, if you speak with anyone else locally on this scheme, they provide their views via the normal channels rather than direct to me? It guarantees being filed and seen. The site notice on the telegraph pole outside of the site tells you how to comment.

Many thanks

Dear Ms.Davey

We are happy with the above proposal for 14 two storey dwellings providing they are in keeping with other houses in the village.It is also important that the existing mature trees on the site bordering the Heyford Road are maintained.

Yours sincerely,

Ian and Kathryn Kerton
