Hi All

19/01255/SCOP Bicester Hotel Golf And Country Club Akeman Street Chesterton – Redevelopment of 9 holes of golf course for new leisure resort incorporating waterpark, family entertainment centre, hotel, conferencing facilities and restaurant

I recently consulted you on the above scoping opinion for the Environmental Statement which is to accompany the planning application relating to the above development. I need to provide a response to the applicant as soon as possible as the deadline has now passed. Could I please have your comments as soon as possible?

Kind regards
