Dear Sir or Madam

The applicant has submitted an overarching written scheme of investigation from John Moore Heritage Services for the staged programme of archaeological investigation required by condition 7 and 8 of permission 19/00055/F.

This WSI is acceptable and meets the requirements of condition 7 and we are therefore satisfied that this condition (7) can be discharged.

The archaeological investigation set out in this written scheme has now been undertaken and the final report has now been submitted and we are therefore satisfied that condition 8 can be discharged.

Regards

Richard
