Hi Rebekah,

I have looked over the above application and have the following comments to make.

---

<b>Planning application:</b>	19/02050/F

<b>Description:</b>	Erection of a new substation

### **Recommendation:**

Oxfordshire County Council, as the Local Highways Authority, hereby notify the District Planning Authority that they ***do not object*** to the granting of planning permission.

### **Comments:**

The proposals are unlikely to have any adverse impact upon the local highway network from a traffic and safety point of view, therefore I offer no objection.

Please note If works are required to be carried out within the public highway, the applicant shall not commence such work before formal approval has been granted by Oxfordshire County Council by way of legal agreement between the applicant and Oxfordshire County Council.

If you would like to discuss any of the above in more detail, then please do not hesitate to contact me.

With regards,

***Tim Peart***
