Linda

I have now managed to see the relevant email on DEF and although a little brief as regards the need for a protected species survey report it contains sufficient information to discharge the condition.

Sorry for the late response

Regards

Charlotte

**Importance:** High

Hi Charlotte

Sorry to chase but have you had chance to look at the submission under condition 10 of 19/00607/F

I am being chased by Thomas Bode of network Rail as they want to start the archaeological works.

Any chance you could let me have your thoughts by the end of today.

Thanks

Linda
