Subject: RE: Planning notification for application reference: 20/01389/DISC

Dear Sir or Madam,

The applicant has submitted a written scheme of Investigation from Atkins. This written scheme however will require a number of amendments before it can be agreed as acceptable.

As such it does not meet the requirements of condition 9b at this stage.

These changes have been highlighted to Atkins and a revised WSI has been agreed with the Archaeology Team. This revised WSI will need to be submitted as part of this discharge application and will be acceptable to meet condition 9b once submitted.

Regards

Richard
