Hi Caroline,

Regarding the above referenced application, from desk based assessment.

Reviewing the Landscape management plan, I have no objections with reference to the tree/hedge management. Furthermore the proposal seeks to retain the majority of boundary trees, removing only 1 group (G9).

Ensuring protective measures as detailed within the landscape management plans, and previously submitted Arboricultural method statement are followed, I have no concerns for retained trees protection. Could you confirm please if a detailed tree planting plan has been submitted to date, with detail on number of trees, distribution of species throughout the site, and tree pit details?

Kind regards,

Iain Osenton

Hi All,

A consultation was sent to you all on the above and today is the 21 day date for comments. Please could I have any comments you wish to make by the end of this week so that I can progress this further?

Many thanks,
