Comments	<input type="text" value="What has happened to the Howes Lane realignment work? Until this has been completed this application should be rejected. I bought my house on the understanding that Howes Lane that my house backs onto is to be turned into a bridal way and only used by pedestrians which was to be done by blocking off the road by the traffic lights at the junction of Howes Lane and Shakespeare Drive. No further work should be undertaken until this has been completed to a standard acceptable by all residents whose property is affected. At the moment living adjacent to Howes Lane is very unpleasant with the traffic noise and pollution for almost 18 hours a day. While Howes Lane is being misused as a traffic route around Bicester it should have a maximum speed limit of 30 mph which may make the traffic/road noise at least bearable. To this end I wholeheartedly object to this planning application."/>
