Comments	<input type="text" value="I strongly object to the proposed development as another infringement on our local countryside, rural villages and existing infrastructures. We do not have the roads, local services, transport or hospital capacity to deal with even more development in the banbury area. It will also mean that the village of Hanwell is in even more danger of becoming just a suburb of Banbury town. In the current economic climate I also cannot see the need for yet more housing unless it was ALL affordable housing which it clearly wont be. This is just a money making exercise by the landowner and housing developer. The village of Hanwell is protesting against this development as a community and it's about time these objections were listened to and acted upon. This is not just a 'not in my backyard' reaction. It is about protecting the countryside and rural life of England and the United Kingdom as a whole."/>
