<b>Comments</b>	<input type="text" value="Godington Parish Meeting objects to this planning application and supports all the concerns of Stoke Lyne Parish Council. We believe the application has many flaws and will have a huge negative impact on local residents and the local environment. Our main reasons for objecting are as follows:&lt;br/&gt;Contrary to the Cherwell Local Plan which does not support such development in rural areas&lt;br/&gt;Uses agricultural land in greenfield sites when we should be maximising our ability to be sustainable&lt;br/&gt;Will hugely increase traffic on already busy local roads, many of which are small in nature.&lt;br/&gt;Inaccessible to public transport&lt;br/&gt;Will be visually harmful to local communities as set in a flat landscape&lt;br/&gt;Significant disruption caused by it's construction - at a time when local roads and residents already hugely affected by EWR and HS2 construction traffic"/>
