<b>Comments</b>	<input type="text" value="I am horrified to see yet another application to build houses on agricultural land, outside the town boundary. If these constant applications are granted soon there will be no villages surrounding Banbury, as they will all be swallowed up by the ever increasing town. And a reduction in agricultural land means less food for the ever growing population, thus meaning more and more imports, which is not good for the economy, environment or global warming. Please look at the wider implications and refuse this application"/>
