Comments	<input type="text" value="I very much wish to file a objection to the proposed Manor Oak housing development application. I live in Hanwell village and for years have walked these fields and enjoyed its natural beauty. I simply cannot understand why there need to be SO many new housing developments all in such a small area. Such development is destroying village life and once gone it cannot be returned. I am saddened that as a world we can't see that!
Please, please think on this and see how it is not a good thing at all!
Regards
Hanna"/>
