Comments	<input type="text" value="Banbury and the surrounding villages do not have the infrastructure to support any more houses - there are no NHS dentists for 20 miles, doctor surgeries and schools are full and all vets are full. The roads cannot cope with the additional volume in traffic - what plans does the Council have in place to deal with the proposed growth?!

More importantly you are eating away at the countryside and good Grade II agricultural land. Surely we should be doing our best to protect and enhance these areas, along with the wildlife. Why are brownfield sites within Banbury not being developed if additional housing is necessary."/>
