Comments	<input type="text" value="I would like to object strongly to this proposed development. This proposed development is not in either the current Local Plan or the Draft Local Plan and appears to be a speculative application that should be firmly rebutted. Additionally the Local authority has met its land supply target and therefore there is no necessity to support this application. Also, the green buffet around the town should be protected, not eroded by such proposals. There must be a clear line that edges the town, protecting both Banbury and the nearby villages. Finally, local services (Emergency, Health and Education) are overwhelmed and simply cannot support further demand. This proposal should be refused. Thank you for taking the time to consider my response."/>
