Comments	<input type="text" value="This side of Banbury has been seriously over developed. The increased traffic flow is noticeable and detrimental to the local area in terms of safety and congestion. The pressure on existing services; schools, doctors and dentists, is extreme to the point that they cannot accept accept more applicants. This raises serious concerns for residents seeking access to these services and additional applications will cause undue pressure. In addition the rural nature of this community is being seriously eroded. It takes courage to make difficult decisions. This rural community needs to be protected for future generations to understand and not to be exploited for quick profit and short term gain. Please be brave enough to take tough decisions to protect rural communities."/>
