| Comments | <input type="text" value="Please do not build any new houses here. This would mar the view from my house which faces out towards the planning permission site. I like to live in Banbury because it is green and open, and I particularly enjoy my view of the fields which was in part why my house cost a little bit more others in the surrounding area. It would be a real shame to see this go. I do not feel that it is fair to the local residents either in Banbury or in Hanwell just to line the pockets of someone who is already a millionaire."/> |
