<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="The proposed development is disproportionate to the size of the village. It will increase the amount of traffic on already busy village roads and increase pressure on local facilities. There will be a significant loss of village character and local habitat (important to wildlife). As a Category A village, Cropredy should only be considered for minor development, infill, and conversions to existing structure."/>
