<b>Comments</b>	<p>I OBJECT to the Manor Oak Homes Planning Application on the grounds of the Deer Act 1991. This is a legal indication that aims to protect wild deer in England and Wales.</p> <p><a href="https://www.legislation.gov.uk/ukpga/1991/54/contents">https://www.legislation.gov.uk/ukpga/1991/54/contents</a></p> <p>This act states that the intentional cruelty towards wild deer is against the law. Members of the wider community have often seen wild deer lying in and running through the fields that this development is planned on. We are concerned that this development will intentionally destroy the quality of life of wild deer which will go against the Deer Act 1991.</p> <p>I would also like to draw your attention to the Wildlife and Countryside Act 1981. This is a legal indication that aims to protect flora, fauna and the countryside of Great Britain.</p> <p><a href="https://www.legislation.gov.uk/ukpga/1981/69">https://www.legislation.gov.uk/ukpga/1981/69</a></p> <p>Many people in our community are interested in bird watching. I take great pleasure in watching wild birds fly around our area. 1 a and 1 aa of this law both aim to protect birds who are nesting or are seeking to nest in areas of the countryside. I know there are birds who are living in the planned area or would look to settle amongst its surrounding trees and am worried about the loss of habitat for these animals.</p> <p>There are plenty of other wildlife and plants that this law covers that will be damaged by this project.</p> <p>I would also like to draw your attention to Wild Mammals Protection Act 1995. This is a legal indication that aims to protect wild mammals from deliberate cruelty.</p> <p><a href="https://www.legislation.gov.uk/ukpga/1996/3/contents">https://www.legislation.gov.uk/ukpga/1996/3/contents</a></p> <p>Many of us in the local community can recount seeing wild mammals in this area on multiple occasions if not as a daily occurrence. It is certain that their natural habitat would be partially if not totally destroyed by this development and thus would break this law. On these grounds, I also object.</p> <p>I am very concerned as a member of the local community whose opinions are shared by a great number of our neighbours.</p> <p>The 3 acts listed above are aimed at protecting the English countryside and this is what is to be destroyed by this project. There are other areas of the Cherwell district that are not as filled with wildlife and natural beauty and thus I would encourage this project to either be cancelled or a more suitable location to be found elsewhere.</p>
