| <b>Comments</b>           | <input type="text" value="I object to the planning proposal ref 23/00977/OUT for the following reasons:&lt;br/&gt;&lt;br/&gt;&gt; Increase in traffic during peaks times within a small village that already currently struggles with parking on small roads&lt;br/&gt;&gt; Adverse impact on the wildlife on the proposed site&lt;br/&gt;&gt; Adverse impact on the character and feel of the current size of the village&lt;br/&gt;&gt; It is clearly evident that the developers are using the proposal of a new surgery as a 'sweetener', which probably would not come to fruition and the additional residents (if the development went ahead) would put further pressure on an already very busy surgery."/> |
