Comments	<input type="text" value="We are in full support of this application - Swalcliffe is a fantastic venue with great well draining ground and terrain that is hard to find. Richard Taylor is a excellent course builder with a reputation and experience of building safe and educational fences which is paramount for us as trainers and riders. We are in support of this application to enable Swalcliffe to be able to update its facilities to remain current and enable us to do what we do. Cheers, Bill and Jenny Levett"/>
