<b>Comments</b>	<input type="text" value="I wish to register my objection to this planning application as it is contrary to Cherwell's strategic aim to give priority to Knowledge Based business investment. Only low skilled, low paid jobs will be generated of which Bicester has an abundance. The plans comprise a total floor area of 500,000 sq. ft in two or three large blocks. This is not in keeping with the local area. Schemes in such a location should be small scale enhancing the character of the area as outlined in Cherwell Council's Countryside Design Summary 2008. How can you possibly approve a scheme that is so obviously the opposite of the Council's documented objectives. This must be rejected."/>
